

The background features abstract geometric shapes in various shades of blue and green. On the left, a light blue trapezoidal shape points towards the center. On the right, a complex arrangement of overlapping triangles and polygons in different blue tones (from light to dark) creates a dynamic, layered effect. The central text is set against a plain white background.

My summer holidays

Lea Sirtori

On my holidays I went to Italy with my family and I had a lot of fun.

In the last days of July I visited Milano,

I had the great opportunity to visit 'la Scala' theatre.

In Milano I went to eat my lunch to a Japanese restaurant with my friend, and it was very delicious.

In August I was in the south part of Italy with my mum's family.

The weather was amazing the whole month.

I also went to Abbruzzo
(an Italian region)

And when we got back, we
visited the 'castel del Monte'; a
very beautiful castle
